

# Basel PACEY AWARD 2022

The time of year has come again to celebrate the annual ceremony of the Peace, nuclear Abolition and Climate Engaged Youth (PACEY) Award, the Basel PACEY Award, which is granted annually in conjunction with the Basel Peace Forum, and highlights youth projects which advance effective policy action to cut carbon emissions, enhance the transition to renewable energies, address and resolve international conflicts, abolish nuclear weapons, and/or support the United Nations Sustainable Development Goals.

---

This year's award ceremony will be held in two sessions, with Session 1 taking place on Thursday, January 20, 20:00 - 21:30 CEST, and Session 2 on Friday, January 21, 8:30-10:00 CEST. The first session will tackle youth action in policy change, serving as an intergenerational forum between mayors, legislators and youth activists on issues related to nuclear disarmament and climate action. The second session will present the progress of the 2021 winners as well as the finalist projects for the 2022 PACEY Award, two of which will be voted as the award recipients through a ballot by the conference participants!
